TO: Central Intelligence Group, New War Department Building,  
21st and Virginia Avenue, N. W., Washington, D. C.

1. The Chief Signal Officer concurs in the procedure outlined in your letter to the Chief, Army Communications Service, dated 15 January 1947 for compensating the War Department for charges prepaid out of Signal Corps funds, for handling of SIG traffic over commercial facilities, with the following exceptions:

a. Reference paragraph 2c, cost of messages handled any portion of the distance by commercial carrier will be determined by established "government rate."

b. Reference paragraph 2d, procedures for "in-station" handling, now in effect at the War Department Signal Center, does not permit furnishing the information requested.

2. The Accounting Symbol FBIB will be used on all traffic originated by FBIB and offered to ACAN for transmission. Any commercial charges incurred by the Signal Corps will be prepaid and billed SIG thru normal channels.

3. Provisions as outlined above are to become effective 15 February 1947.
